It is ordered that the defendant shall pay to the United States a special assessment of \$500, which is due immediately. Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

Pursuant to Guideline § 5E1.2(a), all fines are waived as the Court finds that the defendant has established that he is unable to pay and is not likely to become able to pay any fine.

The drug testing condition mandated by statute is suspended based on the Court's determination that the defendant poses a low risk of future substance abuse.

The Court authorizes the Probation Officer to disclose the Presentence Report, and any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide information (excluding the Presentence report), to State or local social service agencies (such as the State of California, Department of Social Service), for the purpose of the client's rehabilitation.

The Court recommends that the Bureau of Prisons conduct a mental health evaluation of the defendant and provide all necessary treatment.

Defendant informed of his right to appeal.

On the Government's motion, the underlying Indictment and First Superseding Indictment are ordered dismissed.

The Court recommends that the defendant be housed at USP Tucson.

A Restitution Hearing is set for May 20, 2022, at 1:30 p m.
